### Narratives

#### Disaster Damage:

In 2008, the State of Mississippi had three disaster declarations issued by the President of the United States. The first declaration was issued for the storm damaged and flooded areas of in the counties of Bolivar, Warren, Washington, and Wilkinson. The second declaration covers Hinds County and relates to severe tornado damage incurred in late May 2008. The third declaration relates to damage incurred by the counties of Adams, Hancock, Harrison, Washington and Wilkinson during Hurricane Gustav. The Mississippi Development Authority has developed plans and programs to address disaster relief, long term recovery and restoration of infrastructure.

#### Recovery Needs:

Recovery Needs: 1. Assistance to homeowners affected by the storms and floods 2. Assistance with rebuilding of public infrastructure 3. Economic assistance to businesses affected by the storms and flooding. 4. Debris removal and demolition not covered by any other source.

**Location Description:**

Jackson, MS - Hinds County. Specific Area Midtown Subdivision (T16 & 17, BG 1 & 2). Census.

**Activity Description:**

Activities are being undertaken that will repair and strengthen the Midtown Community with Hazard Mitigation (500K drainage and demolition). This activity is eligible under DREF Category C Individual Mitigation Measure (500K). 100% of DREF funds will be used to mitigate risk for the residential area in the subdivision commonly known as the "Midtown Neighborhood" in the City of Jackson, MS.

Jackson Housing Authority encountered numerous title issues with the properties, and was not able to clear titles on enough contiguous parcels to carry out the flood mitigation work as planned. Due to the unsurmountable issues, this project has been determined infeasible and will be cancelled. No homes were bought, and no

drainage work occurred. Funds were moved to the Gulf Coast Housing Partnership project, GV-350-221-05. Completed and closed 2Q14.
